

**Cleopatra - 850**

£ 6,950

**Description**

British motor cruiser with large aft cockpit. Sadly the owner was unable to finish refurbishing the boat, so the engines and sterndrives are currently unfitted, so we are selling the boat as a project for someone to finish. The exterior is well presented and the interior has been refurbished. The sterndrives are Volvo 270 and the engines are Ford diesels which require marinizing. The Particulars detailed are intended to give a fair description of the vessel but their accuracy cannot be guaranteed, these particulars are not part of any contract or offer and are supplied on the understanding that all negotiations shall be through the broker, who are acting as agents only on behalf of the vendor. The prospective purchaser is advised to check the particulars and obtain a survey both structural and mechanical from a qualified marine surveyor at their own expense.
